

FLOOD INSURANCE NEW ENROLLMENT APPLICATION

WELCOME TO THE HARTFORD

Thank you for your interest in becoming a new Flood Agent with The Hartford. The Hartford offers Federal Flood Insurance through Hartford Fire Insurance Company and affiliates.

Before you continue, please make sure that each Flood-producing agent who wants access to our online rating system has taken a **3-hour Flood CE course**. You must supply a copy of the CE certificate for each producer. Failure to do so will delay the processing of your agency's application.

Use a **Microsoft Edge** or **Google Chrome** browser to launch and complete this form.

Checklist of requirement before submitting

Please ensure you have the following required documents to attach to your email submission:

- Complete this **Flood Enrollment Form**

- Signed **Consent Form** from the Flood Producing Agent(s)
